International® LT® Series with S13 Integrated

- Modernize your fleet and enjoy the latest innovations
- The International LT with the S13 Integrated Powertrain delivers at least 5% more in fuel economy than any competitor in the on-highway aero category*
- Driver comfort optimized with smooth shifting T14® automated manual transmission, intuitive controls and enhanced visibility

International® Financial services are provided by Navistar Financial Corporation. Program eligibility, actual payments, terms and down payment are determined by Navistar Financial Corporation based upon creditworthiness of customer. Navistar Financial Corporation does not provide or endorse any tax or accounting advice or tax strategy to its dealers, customers or potential customers.

*The International LT with S13 Integrated Powertrain was tested head-to-head using TMC Type IV testing methodology against competitive on-highway aero models with comparable specifications: Freightliner Cascadia AeroX DD15, Kenworth T680 MX13, Volvo VNL760 D13. Testing proved the International LT with S13 Integrated Powertrain to be at least 5% more fuel efficient than these models. The International LT with the S13 Integrated Powertrain uses up to 3.5% more DEF per gallon of fuel compared to comparable on-highway aerodynamic models.
