

Apprentice or Journeyman Welder

Summary

We are looking for a skilled Welder (apprentice or journeyman) to work at our exciting new facility. The job is important as it provides the foundation for our trailer repair division. We have current equipment and fabrication tools to help you be the best that you can be. The job should never be boring as the business is very diversified, selling and repairing International Trucks, Doepker, Renn trailers, and an extensive rental fleet. We are open to any training that may help the successful candidate become better at their vocation.

Essential duties and responsibilities

- You will need to operate appropriate welding equipment, weld a variety of metals, structures, or parts with precision.
- Read blueprints, drawings, and take or read measurements needed for different projects
- Determine the appropriate welding equipment or method based on requirements
- Set up components for welding
- Participate in a wide variety of different projects
- Inspect welded surfaces for flaws
- Maintain equipment in good operational condition
- Other tasks as required.

Requirements

- Willing to learn and take direction
- Must be able to communicate well with co-workers
- A valid class 5 driver's license/abstract, class 1 would be an asset
- Proven experience as welder
- Experience using a variety of welding equipment and procedures
- Experience in using electrical or manual tools (saws, squares, calipers etc.)
- Ability to read and interpret technical documents and drawings
- Knowledge of relative safety standards and willingness to use protective clothing (face-shield, gloves etc.)
- Attention to detail

Experience/Education

- Apprentice welder or Journeyman certificate
- Previous work experience an asset

Additional

- Health/Dental/STD/LTD benefits
- Deferred profit-sharing plan
- Paid overtime
